

Faculty Profile

Ms.R.SANGEETHA., B.E., M.E.,

Assistant Professor

sgee89@gmail.com

ACADEMIC PROFILE

Degree	School/ College	Year of Passing	% of Marks	Class Obtained	Board /University
M.E (VLSI DESIGN)	Avinashilingam Institute for home science and higher education for Women, Coimbatore.	2012	8.17	First Class with Distinction	Avinashilingam University
BE (CSE)	Government College of Engineering, Bargur	2010	74%	First Class	Anna University, Chennai.
HSC	Government Girls Higher secondary school, Tiruchengode.	2006	83.3%	First Class	State board
SSLC	Sri Ramakrishna Higher Secondary School, Mallasamudram.	2004	90.4%	First Class	State board

PROFESSIONAL EXPERIENCE (In the reverse chronological order)

Teaching Experience:	6 Years 1 Month		Industry Experience:	Nil
Institution & Country	Designation	Start Date	End Date	University / Board affiliated to
Vivekanandha College of Engineering for Women(Autonomous), Tiruchengode, India	Assistant Professor	25.06.2012	Till Date	Affiliated to Anna University, Chennai.

AREA OF RESEARCH

- ❖ Network Security
- ❖ Cloud Computing

INTERNATIONAL JOURNAL PUBLICATIONS

- R.Sangeetha, “Self-Adaptive Context Data Distribution Infrastructures for Mobile Systems”, International Journal of Computer Science and Mobile Computing, Published in Vol. 2, Issue. 12, pg.224 – 228, held on December 2013.
- R.Sangeetha, “Energy Optimization in Wireless Sensor Network Using Sleep Mode Transceiver”, IOSR Journal of Computer Engineering (IOSR-JCE), Published in Volume 16, Issue 1, Ver. V , PP 45-50, held on Jan 2014.
- R.Sangeetha, “Hybrid Based Resource Provisioning in cloud”, International Journal of Computer Applications Technology and Research, Published in Vol. 3, Issue. 12 held on December 2014.
- R.Sangeetha, “Personalized Web Search Based on user histories in feature extraction”, International Journal of Engineering Trends and Technology (IJETT), Published in Vol. 17, No.4 held on November 2014.
- R.Sangeetha, “Web Page Recommendation based on domain ontology and semantic network”, International Research Congress in Engineering and Technology (IRCET 2015), Presented a paper held on January 2015.
- R.Sangeetha, “Achieving Privacy and Security over Encrypted Cloud Data using Triple- DES”, International Journal of Modern Trends in Engineering and Research (IJMTER), Published in Vol. 2, Issue 3 held on March 2015.
- R.Sangeetha, “Secure Data Transmission based on the Traffic Dependency on Cooperative Environment”, International Journal of Modern Trends in Engineering and Research (IJMTER), Published in Vol. 2, Issue 3 held on March 2015.
- R.Sangeetha, “QoS-Aware Spectrum Sharing for Multi-Channel Vehicular Network”, International Journal for Scientific Research and Development(IJSRD), Published in Vol. 3, Issue 10 held on December 2015.
- R.Sangeetha, “QoS-Aware Spectrum Sharing for Multi-Channel Vehicular Network”, International Conference on Advances in Electrical, Electronics and Computational Intelligence(ICAECCI'16), Presented a paper held on March 2015.
