About The Institution

Vivekanandha College of Engineering for Women (VCEW) is an autonomous, self-financing engineering college approved by AICTE and affiliated to Anna University, Chennai. VCEW was founded by the Philanthropist Prof. Dr. M. Karunanithi, in the year 2001 with the vision of providing technical education for rural women. It is accredited by NBA Tier I (BT, CSE, EEE, ECE & IT), NAAC with A++ Grade, and Tata Consultancy Services (TCS). The Institution is marching towards excellence under the able guidance of Prof. Dr. S. Kuppuswamy, a well-known academician in the field of technical education for the past four decades. He is the former Pro-Vice-Chancellor of Pondicherry University and an expert member in various academic bodies like UNIDO, UNESCO, MHRD, UGC, AICTE, NBA & NAAC. The College offers seven UG Programmes (CSE, EEE, ECE, BME, CST, IT & BT), four PG Programmes (CSE, PSE, VLSI & IT), and four Research Programmes in the departments of CSE, EEE, ECE & Chemistry. The Institution is equipped with state-of-the-art laboratories and e-learning centres like Digital Class Rooms, Digital Library, and AV halls for effective knowledge transformation. VCEW is the recipient of the National Award for the "Best Women Engineering College in India" awarded by the Indian Society for Technical Education (ISTE), New Delhi in the year 2018 and "Engineering Education Excellence Award" by The Institution of Engineers (India) in the year 2022.

Our Vision

To impart value based education in Engineering and Technology to empower young women to meet the societal exigency with a global outlook.

Our Mission

- ✦ To provide holistic education through innovative teaching-learning practices
- ✦ To instill self confidence among rural students by supplementing with co-curricular and extra-curricular activities
- ✦ To inculcate the spirit of innovation through training, research and development
- ✦ To provide industrial exposure to meet the global challenges
- ✦ To create an environment for continual progress through lifelong learning
