

**VIVEKANANDHA**  
**COLLEGE OF ENGINEERING FOR WOMEN (AUTONOMOUS)**  
Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai.  
Elayampalayam, Tiruchengode - 637205.

---

### **Transportation Policy**

The transportation policy framework for engineering college students, combining practical considerations with a focus on sustainability and inclusivity:

#### Objectives

- Ensure safe and reliable transportation for all students, faculty, and staff.
- Provide accessible transportation options for students with disabilities.
- Promote environmentally friendly transportation choices.
- Offered free transportation for students.
- Integrate college transportation with local public transportation systems.

#### Transportation Modes

- Operate buses within the campus and to nearby areas.
- Ensure that all transportation infrastructure is accessible (ramps, elevators, etc.).
- Offer support services for students with disabilities who require assistance with transportation.

#### Technology Integration

- Develop a mobile app for real-time tracking of college buses.
- Implement a system for monitoring traffic flow and identifying congestion hotspots.

=====

**Student Involvement**

- Form a student transportation committee to provide input and feedback on transportation policies.
- Conduct surveys to gather student opinions on transportation needs and preferences.
- Organize awareness campaigns to promote sustainable transportation options.

**Policy Implementation and Monitoring**

- Develop a clear implementation plan with timelines and responsibilities.
- Regularly monitor the effectiveness of transportation policies and make necessary adjustments.
  - Gather data on transportation usage and identify areas for improvement.
