A REPORT ON SPEECH COMPETITION

NAME OF THE ACTIVITY: Speech Competition -English **Date:** 07.10.2024

On 07th October 2024, Vivekanandha College of Engineering for Women (Autonomous) has conducted a speech competition for the students against the various effects of drug and its effect on family and how the crime is increased in connection the drug abuse its impact on millions of lives. The competition began with an insightful speech by the Principal Dr KCK Vijayakumar, Ph.D, who highlighted the myths and reality of drug. The speech emphasized the need for students to understand the lessons how the family severely affected by the drug usage.

The event also included a speech competition, where participants spoke on various topics related to the given topics. The speeches were both informative and moving, as students shared personal reflections and engaging the audience with their perspectives on this significant event. The day served as a reminder of the students are standing against the drug and Stating **SAY NO DRUG**.
