This information will be communicated to parents well in advance through the bus in-charges.
3.	The bus departure time for Chennai students is 9:00 pm. Students are either allowed to leave early or are not permitted to go out after 6:00 pm.	The Chairman stated that in such exceptional cases, hostel wardens will take care of the students.
4.	A student from Kanyakumari reaches the college at 5:00 am or earlier due to the long travel distance. As per the rules, she has	The Chairman stated that in such exceptional cases, security will take care of the students at gate.

5.	The biometric attendance process during hostel check-in and check-out is not being properly communicated	The Chairman stated that the issue is due to a software update. Once it is resolved, the messages will be sent to parents as usual
6.	Usually, a student's brother is not allowed to meet the student if he comes alone. Parents have requested permission for married brothers to be allowed.	Their request is accepted by the Chairman.
7.	Wardens are contacting parents from different numbers, which leads to parents not answering when they are busy.	Wardens have been instructed to contact parents only through the designated number provided to them.
8.	Students who took leave immediately after the Pongal holidays were fined an amount of Rs. 500.	The Chairman stated that the fine amount will be adjusted against the respective fees.
9.	The cameras near the suggestion box should be removed.	The Chairman stated that no cameras have been installed near the suggestion box. If any are found, they will be removed immediately.
10.	In some rooms, water heaters are not functioning properly.	The Chairman asked the students and parents to contact the Executive Officer, who is exclusively responsible for addressing such issues.
11.	Fee bills are not properly issued.	The Chairman stated that the issue is due to a software update. Once resolved, the bills will be issued promptly.

12.	Parents of hostel students requested that their wards be allowed to use day scholar buses when going home.	The Chairman stated that allowing this would lead to a shortage of seats for regular day scholar students.
