## **REPORT**

Vivekanandha College of Engineering for Women (VCEW) organized a **Faculty Development Programme (FDP)** on **“Outcome Based Education – Implementation Strategies”** on 23rd June 2025 at the Main Seminar Hall. The FDP aimed to strengthen the understanding and practical application of Outcome Based Education (OBE) among faculty members, in alignment with national quality assurance frameworks.

The programme commenced with a **Welcome Address by Prof. K.C.K.Vijayakumar, Principal, VCEW**. The session was **Presided Over by Prof.Dr.M.Karunanithi, Chairman and Secretary, Vivekanandha Educational Institutions**.

The event was graced by the presence of **Prof.Dr.S.Kuppuswami, Executive Director**, and **Dr.R.Balagurunathan, Director-Research**, who felicitated the chief guest and shared insightful remarks on the critical role of OBE in enhancing academic quality and global competitiveness in higher education.

The technical session was delivered by **Dr.Kanamani Buddhi, Professor, Department of Telecommunication Engineering, B.M.S. Engineering College, Bengaluru**. An expert in the field, Dr.Kanamani Buddhi provided a detailed overview of OBE principles, including curriculum design, mapping of Course Outcomes (COs) to Program Outcomes (POs), attainment measurement, and best practices for continuous improvement. The interactive session included practical strategies and case-based discussions, which helped faculty relate concepts to institutional implementation.

A total of **97 faculty members** from various Vivekanandha Educational Institutions actively participated in the programme and gained practical insights into implementing OBE effectively in their respective departments.

The FDP concluded with a **Vote of Thanks by Dr.M.Murugan, Director- IQAC**, who expressed gratitude to the resource person, dignitaries, organizing team, and all participants for contributing to the success of the programme.
